Hard Labor Creek Middle Distance Course Notes:

The start and finish share a narrow corridor between the campground and the carpet golf course. Everyone will cross the campground road at a mandatory crossing point on the way to the final control and the finish. Feel free to walk up the campground road to the picnic shelter and around the finish (but not through it!) and look it over, but do not go west of the campground road or north of the finish until you are on the clock! You can warm up anywhere east of the finish
