

EXTREME-O RESULTS  
Mistletoe State Park, GA  
15 Jan 2018

Unlike most athletic competitions, the Extreme-O Crew doesn't try to get the results down to JUST THREE PLACES! Anyone who gives this event a try deserves a great big pat on the back and at least a high five. Here are the results as we see them. There was very little difference in the short courses, maybe only a few feet, and some VERY close times. Watch out for next year. Someone will be nipping at your heels!
